ROUGH SKIN

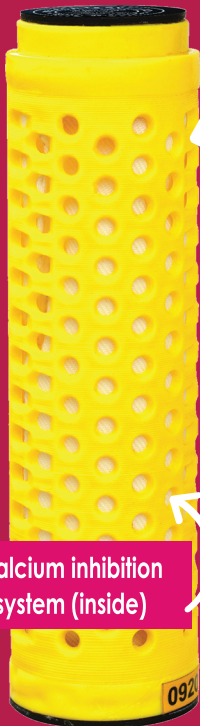

Repairs of this could cost around ~ ₹ 5 lakhs

Introducing...

💧 The revolutionary **HARD WATER** Conditioner 💧

Outer plastic
case

Calcium inhibition
system (inside)

About D'Cal

The system masks the calcium ions to become inert and incapable of forming scales on your taps, fixtures, etc by using proprietary technology.

The System prevents scaling of hard water stains on your Faucets, taps, Fixtures, Mirrors, in your bathroom and Kitchen ensuring that bathroom fittings look good as new for longer.

Appliances using Bore water like Geyser, washing machine, etc are protected from internal damage and corrosion thus extending their life.

Reduces Harmful effects of hard water on your Hair and Skin.

Prevents corrosion of your house Piping System.

♥️ D'Cal Contents

Uses tasteless, odorless colorless and non toxic material.
(test reports available on website)

♥️ Life Of D'Cal

10 to 12 Months
(depending upon water usage)
After 10 Months please repeat
